

PRESCRIPTION DRUG PROGRAM MAIL SERVICE FORM

Mail Order Prescriptions Made Easy!

HOW TO ORDER NEW MEDICATION

This form is only needed for first time orders, dependents who have been added since the last order, or changes to current information. Be sure to complete your method of payment.

To begin ordering your maintenance prescription medications from the WellDyneRx Mail Service Pharmacy, enroll using one of the following options.

Option 1

Enroll online at **www.myWDRX.com**. Mail your prescriptions to WellDyneRx or have your **prescriber** fax them to 888-830-3608.

Option 2

Enroll by completing this form and mailing it back to WellDyneRx in the provided envelope, or to WellDyneRx, PO Box 4517, Englewood, CO 80155-4517.

Include your prescriptions in the envelope or have your **prescriber** fax them to 888-830-3608.

Remember to write your **Member ID** and **Date of Birth** on your prescriptions.

Please Note: Only prescribers may fax prescriptions to a pharmacy.

WellDyneRx will dispense the days supply as written by the prescriber. For example, if your prescription is written for 30 days and your plan allows 30 day fills at mail order, WellDyneRx will fill the 30 day supply as written. If your prescription is written for 30 days, and your plan only allows 90 days, we will contact you regarding the status of your order and how to best meet your needs.

To save time, please look at your prescription before you leave your prescriber's office. Check the drug name, quantity and days supply. The days supply should match the number of days you want us to provide with each refill. Please review your Plan benefits for the maximum days supply your Plan will allow with each mail order refill.

HOW TO ORDER REFILLS

To place a refill order, please visit **www.myWDRX.com** or call **888-479-2000 prompt 2** approximately three weeks prior to depletion of your medication supply.

SAVINGS

Mail Service can save you money. To find out the cost for your mail order medication, please visit www.myWDRX.com.

Where appropriate, WellDyneRx uses generic medications to fill your prescriptions. The FDA requires that all drugs be safe and effective. Since generics use the same active ingredients and are shown to work the same way in the body, they have the same risks and benefits as their brand name counterparts.

QUALITY IS FIRST PRIORITY

The WellDyneRx Mail Service Pharmacy is staffed by registered pharmacists and certified pharmacy technicians. With advanced robotics and state-of-the-art technology, our highly trained professionals conduct multiple quality and accuracy checks on your order.

Your prescription order will be shipped using US Mail or UPS. Refrigerated items are shipped in accordance with FDA and manufacturers' specifications. For your security, some controlled substances are shipped UPS Ground with a tracking number and may require a signature.
